

PRESS RELEASE – FOR IMMEDIATE RELEASE

GetMoreVacations.com Goes ‘Nationwide’

Destin, FL – Locally owned business, Amenity Services Inc. (ASI), will have a race team in the NASCAR Nationwide Series this year to market their vacation sweepstakes and website GetMoreVacations.com. The race team includes ASI Founder and President, Darrell Blanton, as the Owner, Johnny Sauter as the Driver and Marc Browning as the Crew Chief. The team makes its debut on February 13th in the Camping World 300 at Daytona International Speedway.

Local press and civic and business leaders are invited to the official team announcement at 10:00 a.m. Thursday, February 4th at ASI’s corporate office located at 297 Azalea Drive, Destin, FL. The public is invited at 11:00 a.m. to meet the team, get driver autographs, view the #48 Chevy Impala Race Car, and register to win a free vacation.

GetMoreVacations.com was launched in April of 2008. Blanton says, “What makes ASI and GetMoreVacations.com different from other websites is the fact that every property on our site offers free to guest services such as golf, deep sea fishing, water and amusement parks, free snow skiing and rafting every day of their stay.”

ASI is the nation’s leading provider of free to guest amenity programs to vacation rental property management companies. ASI was founded in 1996 and the company now provides programs for over 10,000 vacation rental properties in Alabama, California, Florida, North Carolina, South Carolina, Vermont and West Virginia.
