## PRESS RELEASE – For Immediate Release

# New Website Links Travelers to Complimentary Golf and More on Vacation

*The newly-launched website, [www.getmorevacations.com](http://www.getmorevacations.com), provides vacationing guests with amenities at vacation rental properties in Florida, Alabama and North Carolina that include complimentary golf rounds, deep sea fishing, water and amusement park tickets, sunset and dolphin cruises, and more.*

**Destin, FL June 3, 2008** – A new website, [www.getmorevacations.com](http://www.getmorevacations.com), from Destin, Florida-based Amenity Services Inc. links travelers headed to the Gulf Coast, the Outer Banks and the Asheville, North Carolina area to vacation rental properties that include a complimentary round of golf every day of the guests' stay.

Getmorevacations.com provides these complimentary rounds at such prestigious courses as Tiger Point in Pensacola, FL; Glen Lakes and Soldiers Creek in Gulf Shores, AL; The Links Course at Sandestin, FL; Regatta Bay in Destin, FL; Bluewater Bay in Niceville, FL; Sea Scape Golf in the Outer Banks, North Carolina and five others along the Eastern Seaboard.

Guests can choose from over 6,500 unique vacation rental properties in Destin, Pensacola, Perdido Key, Navarre, Ft. Walton Beach and Panama City Beach in Florida; Orange Beach and Gulf Shores in Alabama; and Asheville and the Outer Banks in North Carolina. The program also provides guests with a wide variety of activities ranging from complimentary deep sea fishing to white water rafting to water and amusement park passes and more without steep 'package' charges. These vacation amenities are provided every day of a guests' stay as part of an all-inclusive vacation experience provided by some of the industry's leading and most reputable vacation rental management companies such as ResortQuest of Northwest Florida, JME Vacations, Laterra Resort and Spa (an Intrawest property) and Newman-Dailey Resort Properties.

On an average five night stay, a guest might expect to pay upward of \$375 for the five rounds of golf that are included in the rentals represented by Getmorevacations.com. Best of all, on a family vacation, kids can enjoy complimentary tickets to state-of-the-art water parks and amusements (and more) while the guest enjoys their golf. For an average family of four, this can be a significant savings and it has not gone unnoticed in online public travel forums like TripAdvisor.com, FlipKey.com and WeJustGotBack.com.

"My family has just returned from a week long (sic) vacation at the Blue Surf. It was our first true 'family' vacation with our two young children, ages 2 and 3. The Blue Surf exceeded our expectations and provided the perfect environment for our young family. As a side note, the management company we used provided a 'family fun pack' with discounts and tickets, including a

[Type text]

free round of golf for each day, free movie rentals, tickets to the local amusement park and tickets for a dolphin cruise. With a young family and a husband that golfs, this was a huge bonus!" said one guest from Atlanta on TripAdvisor.com.

Jeanne Dailey, owner and buyer for Newman-Dailey Resort Properties observes, "Some of our guests who are familiar with our golf program call to reserve tee times as they are driving into town and are often on the links enjoying their complimentary golf before they even check into their rooms."

Many guests find themselves able to take greater advantage of three and four day getaways with the exceptional savings afforded them through the programs at getmorevacations.com.

"We've seen a significant increase in repeat guests to our partnering properties," says Amenity Services/Getmorevacations.com CEO and President Darrell Blanton. "The feedback coming to us online and through comment cards is that guests appreciate saving hundreds of dollars on their primary vacation stays. It allows some families to sneak in an extra weekend or two throughout the year. (Getmorevacations.com) brings the best aspects of a vacation destination together in an easy, accessible way for travelers to take advantage of. We're proud to be at the forefront of what is becoming the standard in the vacation rental industry."
